

Fox River Tours – 2019 Group Tour Packages

A list of our usual offerings is found below. We are happy to customize a tour for your liking. Call today to see if your date is available, and we will start planning your group outing! 920.422.6300

Working with Domestic or Inbound Tour Operators, Senior Centers, Church Groups or Social Organizations, we add time on the river to any itinerary! We want your group to be able to get on this great river and fall in love with it, as we have! You and your guests will be surprised by how very pretty this body of water actually is! We promise to take great care of your group. We fully respect that ours is but a part of your tour offering, and we are a direct reflection on you and your company. Our aim is to be your *go to* water addition whenever you are around this part of Wisconsin.

River Tyme - De Pere is a 1953 Riverboat, 2 Levels, Full Bar & Restroom onboard. *Minimum 30 Passengers, Maximum 49 Passengers.*

Group Tour Options in De Pere:

Love Your River Group Tour: A laid-back tour, with heavy narration done by our crew focused on the history, environment, area geology, or a combination – hopefully close to reality, or at least made to sound so. Leaving from our home port in De Pere. Nice scenery to include wooded banks and nice homes & includes the closest thing we have to a castle in these parts! Options: Add in passage thru a hand-operated historic lock -- Option: Heavy narration done by professional tour guide, if your group wants to forgo narration – subtract \$2 per person

\$26 - 1.5 Hours

\$31 - 2.0 Hours to include lock passage thru De Pere Lock

\$37 - 3.0 Hours to include lock passage thru Little Rapids Lock

\$13 - per person to add in a Box Lunch on the boat includes a choice of sandwich plus chips, cookie and non-alcoholic drink

Fox River Canal and Lock System Package: Travel the waterway built at the turn of the century to create passage from the Great Lakes to the Mississippi. Lock through at the hands of the tender, just as you would have in the early 1900s. This is possible because we are fortunate to have one of the last two hand operated locks remaining in the U.S. Learn why it was built, how it was built, tour the home of the man who made it happen, learn why it failed to be the greatest water highway, and how the locals saved this piece of history.

This is the perfect choice for day and bus tour groups. The package includes a guided tour of Hazelwood Historic Home, a 2-hour cruise onboard River Tyme to include passage through the
